

Fuel Surcharge Matrix Expedited Transportation

Expedited:

FSC for Expedited will be based on the DOE US Gulf Coast spot price for Jet Fuel.

FSC index to be applied to all NFO, Next Day AM and Next Day shipments traveling within the 48

Apply to all air service levels to /from from AK, HI and PR.

The applicable FSC rate will be effective on the 1st of month through the last day of the month.

This indicator price will be used to calculate the applicable FSC rate based on the RLGL FSC index.

The average daily spot prices for US Gulf Coast Jet Fuel can be found by accessing the Department of
